

Day 1 – Wednesday 26 August 2026 (Half Day)

13:00–15:00 Registration, Posters & Sponsor Setup

- Delegate registration • Poster presenter set-up • Sponsor exhibition installation

15:00–15:30 Welcome Address

- Opening remarks from BSNM and conference hosts

15:30–17:00 Session 1: Translating Nanomedicine

Industry and MHRA perspectives

17:00–19:30 Welcome Reception

- Networking • Posters and sponsor exhibition
-

Day 2 – Thursday 27 August 2026 (Full Day)

09:00–10:30 Session 2: Translating Nanomedicine II – Characterisation, Manufacturing & Standardisation

Keynote: Prof. Caterina Minelli (National Physical Laboratory)

10:30–11:00 Coffee Break & Career Session

11:00–12:30 Session 3: Nano–Bio Interfaces

Studying interactions of complex medicines to support translation

Keynote: Prof. Neill Liptrott (University of Liverpool)

12:30–13:30 Lunch & Poster Session I

13:30–15:00 Session 4: Nanomaterials for Improved Drug Delivery

Keynote: Prof. Christopher Scott (Queen's University Belfast)

15:00–15:30 Afternoon Break & Poster Session II

15:30–17:00 Session 5: Early Career Researcher Session

Career discussion and flash talks

Chair: Prof. Nick Evans (University of Southampton)

19:00 Conference Dinner

Venue: UCL East, followed by Howling Hops Brewery (approx. 15-minute walk)

Day 3 – Friday 28 August 2026 (Conference closes 16:00)

09:00–09:45 BSNM Annual Meeting & Society Update

09:45–10:00 Poster Session III & Coffee

10:00–11:30 Session 6: Natural Nanoparticles

Extracellular vesicles, exosomes, and DNA-based complexes

Keynote: Prof. Hirak Patra (UCL)

11:30–13:00 Session 7: Nanomedicines in Immunotherapy & Infectious Disease

Keynote: Dr Íris Luz Batalha (University of Bath)

13:00–14:00 Lunch & Sponsor Exhibition

14:00–15:30 Panel Discussion

Accelerating Nanomedicine Translation in the UK: What Needs to Change?

Chair: Prof. Maya Thanou (King's College London)

15:30–16:00 Closing Remarks & Awards

- Best Poster Award • Early Career Researcher Talk Prize • BSNM closing remarks
